

Advanced Placement (AP) Exam

Judson awards at least three credit hours for a score of three and at least six credit hours for a score of four or higher on tests on the one-year courses. Some of the exams cover the equivalent of a half year course; three credit hours are awarded for a score of three or higher on these. The table below reports Judson courses awarded for satisfactory scores on selected AP exams. Elective credit is given for satisfactory scores on the other AP exams.
